MC dll/dylib - 10.0.1

ⓘ   This component release is part of MarvelClient 10.0

ENHANCEMENT	The DLLUpdate action can now perform a switch from MC Essentials to Full and vice-versa when both have the same version. The option to "always detach DLL to data directory" in the DLL Update action will now also work if the DLL version doesn't change.
FIX	Fixed an issue in the behavior that resolves situations where several versions of MC are being loaded; sometimes the wrong version would win.
FIX	Fixed an issue in DLL Update action; where switching between MC Essentials and Full lead to MC_DB being set incorrectly.
