MC Upgrade - 10.1.12

ⓘ This component release is part of MarvelClient 10.1

MCUpgrade.exe

FIX	Fixed the issue the ProgressBarText was not translated according to language configuration
ENHANCEMENT	Graceful and Silent Shutdown are now multi-user compatible = will only process processes for current OS user
FIX	Fixed an issue where using shutdown on e.g. Citrix could lead to error "unable to allocate memory"

MCUpgradeMain.exe

ENHANCEMENT	MCUpgradeMain.exe will now automatically update the service component when necessary

MCKeyfileEditor

FIX	When running MCKeyfileEditor outside of the MarvelClient Configuration wizard, the check for unsaved changes did not work in previous versions - it would often say "there are no changes" even though there were - this is now fixed
ENHANCEMENT	The username/password/domain/smtp* etc. fields are now checked for unsaved changes, too
