 This component release is part of [MarvelClient 14.0](#)

FIX	Fixed an issue where the cinema splash screen always loaded MCUUpgradeProgress.html, regardless of language to be used
FIX	Fixed an issue where text and buttons were not properly displayed in dialogues with higher display scaling
FIX	Fixed an issue where GracefulShutdownCancelMessage was not always displayed, if GracefulShutdownRetryAllowCancel was set
FIX / CHANGE	After clicking OK in / closing the shutdown notice dialog, the retry dialog will now appear immediately if a dialog with buttons appears in Notes upon a close attempt through another (new or respawning) window
CHANGE	In case none of the domains in the mcu file match the current user's domain, MCUUpgrade will exit with code 6000 instead of 1
CHANGE	GracefulShutdownRetryAllowCancel now configures the nth retry dialog in which to display the cancel button; previously it configured the nth+1 dialog (the nth dialog after which) the cancel button and message appeared
