

MarvelClient Upgrade Onboarding Workshop

The MarvelClient Upgrade Onboarding Workshop is designed to help you get up and running faster with the help and guidance of one of our Consultants:

- If necessary, help you setup [MarvelClient Essentials](#)
- Create your first Upgrade configuration
- Run your first Upgrade on 1-2-3 test clients
- Answer any questions you may have

Note: Depending on your requirements, environment and questions you may need more than the included four (4) hours - in most cases, 4 hours will get you a true fast start into the magic of MarvelClient Upgrade.
