MC dll/dylib - 10.0.10

ⓘ   This component release is part of MarvelClient 10.0

FIX	Fixed in issue in MarvelClient Essentials where cancelling the login dialog would lead to a second dialog being displayed. This issue only occurs if the shutdown runtime for Essentials is enabled.
FIX	Fixed an issue in IDVault handling where the provided user dialog window title was displayed incorrectly. The title was displayed as message and vice-versa.
FIX	Fixed an issue where MC_SyncAfterLogin was no longer working due to incorrect version number.
FIX	Fixed <notes:version_release_string> and <notes:version_hotfix> not displaying the correct information when certain language packs are installed.
