MC Analyze - 20201023142600

(i) This component release is part of MarvelClient 11.0

ENHANCEM ENT	All XSLT documents used for parsing XML uploads now have descriptions indicating what they do.
FIX	On newer Notes clients, the outline entries in the navigator would sometimes scroll to the top whenever a section in the outline was expanded. We found a way to fix this.
FIX	Fixed "Error 4005 gathering server stats on line 33" in PostServerStats agent, that could happen if the view being processed was modified while the agent was running.
