MC Upgrade - 11.0.54

ⓘ This component release is part of MarvelClient 11.0

NEW	MCUpgrade now supports checkout trial licenses
FIX	Fixed an issue where a full license with non-matching domain/computername/username restrictions would not search for a possible better license
ENHANCEMENT	<,>,& are now escaped in html log files and result emails - this allows us to also properly display html content as a result from e.g. license checkout or http(s) downloads
ENHANCEMENT	MCShutdown.exe now also supports actions.xml licenses
